## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Will it be necessary to have my son, who is of age, to fill out and sign the application, or can I fill it for him?

### Remarks Continued

My aunt Eliza's husband's name was Jesse Wolfe and died in Tahlequah I.T. some time in the early '70's - They lived here in 1851. Both their names are on the roll of 1851. They also had a daughter whose name was Cornelia. She usually went by the name of Belle or Pick, the latter being only a nick name. I think she must be on the roll also, because she is my senior. - She lived some time in Tahlequah and somewhere in England.

I give this addition to my belief in believing that I and my sisters are entitled to the shares of my aunt and her daughter. As to my father's share, I am not sure, but of the rule.

his share in my father's estate. B. Wolfe's children are living, and perhaps they are entitled to it. Of course that will be determined in our office.

Respectfully,

Each individual enrolled will receive the same amount, but the exact amount each will receive cannot be stated at this time, however, it will probably be about \$130.

Very respectfully,

COURT OF CLAIMS  
EASTERN CHEROKEES.  
Rec. MAY 9 1907  
No. 3568A.

3568

I have been writing you for some time  
in regard to the claims of the Eastern Cherokee Indians  
relative to their claim for participation in  
the first arrangement for settlement of the  
land of claims. Sent them direct to your office  
as we thought your Indian Commissioner would  
that office that that was the proper thing to do  
with them. No I see as Mr W H Blevins who styles  
himself as chief of the White Top Band has  
called a meeting of the claimants 2<sup>nd</sup> of this  
Inst to a dinner to him and his attorney 15 percent  
of what ever may be due each claimant.  
Therefore we that sent our claims to your office  
and did not consider we need Council nor  
Blevins help nor want had any thing to do with  
him don't wish him nor his attorney to have  
any thing to do with our claim. I also enclose  
a letter that W H Blevins writes to a friend  
which explains its self. But I would like  
very much to know how it comes that he lost  
so much of the Indian money when his claim  
was no more than a mere applicant.

Yours Truly  
Wm Blevins

My Dear Sir

Your trip to the Court -  
I am all the while hoping -  
that you will be well -  
and that you will be coming  
back - I am so anxious to see you  
through the snow -

Well I am glad to hear of  
your trip to the Court of  
Claims - at least that  
is my opinion - I may  
be fooled - but I have been on  
the right side so far - and I  
have the information from  
Washington as far as it is  
concerned - I am sure  
after the Court has heard  
from the Claimants - the Court  
only commenced hearing the  
arguments April 5<sup>th</sup> I am

give a decision by my file  
I will call it good speed -  
You ought to know that a  
five million dollar suit -  
could not end so soon  
Why the Snuggles can't earn  
75 thousand dollars in a day  
you can all of them in a week  
like women - because the Court  
won't let them - When you  
come over I will show you  
that I lost twenty four thousand  
dollars in ten minutes in the  
Indian business - I don't think  
any man can do it as  
as fast as I can - anyway  
I can prove it by the record  
in print - So I am sure -  
Respectfully Yours

Wm. M. Baldwin,

Park,

Virginia.

Sir:-

Your letter of May 6, 1907, addressed to the Commissioner of Indian Affairs, has been referred to this office for reply, and you are advised that it is not necessary for you to employ an attorney to prosecute your claim for a share in the Eastern Cherokee judgment, unless you desire to do so, or unless your claim is particularly complicated.

We have no information as to the loss by Mr. W. H. Blevins of any sum of money, as referred to in your letter or in his letter to you.

Mr. Blevins has filed an application on behalf of himself and claims to represent a large number of other claims, but he is not recognized by this Office as representing any other claims than his own.

Very respectfully,

Special Commissioner.

Elzina Greer,  
Pinckton,  
North Carolina.

Madam:-

Replying to your letter of May 17, 1907, addressed to the Honorable Commissioner of Indian Affairs, you are advised that the applications have not yet been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is anything further required in connection with your application you will be duly notified.

Very respectfully,

Special Commissioner.

Sir:-

Replying to your letter of recent date, you are advised that any additional information you may wish to file with applications will be received and filed with the application as directed, but it should not be in the form of a separate application, as the time for filing applications expired on March 31, 1907.

Relative to the time this fund will be paid, you are advised that this Office cannot state when this will be, but it will necessarily take considerable time to consider all the applications, as there are now over 22,000 applications on file.

Very respectfully,

Chief Clerk.

Sir:-

Replying to your letter of January 17, 1907, inclosing additional names to be filed with your application for participation in the Eastern Cherokee fund, you are advised that it is proper to send in any further information you have in connection with any of the applications you have filed.

The letters will be filed with the applications, and it will not be necessary to make out additional applications.

App. #3585.

September 13, 1907.

Martin Squirrel,

Locust Grove,

Indian Territory.

Sir:-

Replying to your letter of September 3, 1907, you are advised that it is not necessary for you to sign a Power of Attorney, or to employ an attorney to represent you in the matter of the Eastern Cherokee enrollment, as each claim will be taken up in its regular order and considered.

The applications have not been taken up for final determination and we cannot state at this time just when this fund will be paid. As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

Rec. SEP 9 1907  
No. 3585

Sept- 3<sup>rd</sup> 1907

Gocust Grove D.T

Son- Duion Miller

Washington D.C

Sir. will write you a few words  
and ask you some information  
in regard of Eastern Cherokee claims  
I made out great many application  
for my people thinking and claiming  
such share as may be due them  
of the fund appropriated by the  
Act of Congress approved June 30<sup>th</sup>  
1906 and in accordance with the  
decrees of the Court of Claims of  
May 18<sup>th</sup> 1905 and May 28<sup>th</sup> 1906  
in favor of the Eastern Cherokee —  
And I am satisfied all those  
applied for participation in the  
fund arising from the judgment  
of the Court of Claims

- ~~the~~ favor of the Eastern Cherokee  
 are sure enough descendents of  
 Emigrant & most of those  
 applicants can not speak English  
 language. What I want to ask  
 you is this if any of us  
 have proven ourselves we are  
 entitled to the Emigrant fund  
 when are you going to be able  
 to pay ~~out~~<sup>us</sup> our money to us  
 Are do we have to sue or  
 give some one a power of  
 attorney to collect our money  
 for us before we could draw  
 what ever we may be entitled to  
 the Emigrant fund,

If we have to do that will  
 it be necessary for us to  
 authorize some one to  
 collect our money, which  
 we may be entitled on the  
 Emigrant fund

Or, give some one power of  
 attorney like this you will  
 find in the enclosed letter

But before I do that I  
 will look out for your best  
 information which I hope  
 you will furnish us

I hope you will look over  
 all my errors that I may  
 have made on account being  
 little short of English language

I am not asking any  
information for my own  
benefit from you.

I live right here among  
those Cherokee Emigrants amongst  
all those people applied for  
their share and I see them  
every day and they ask me  
all the time if I hear any  
thing relative to their claim  
and that is why I am asking  
you all this information you  
may be able to furnish us  
so we could know what to do  
it is rumored that some of  
our people has already given  
some power of attorney -

But I do not know for

sure if there's any thing like  
 that being done. But I do  
 know some of my friends  
 have been requested to do so  
 that is why I am asking your  
 advice. As I could inform  
 my people what to do in regard  
 of getting their part of Emigrant  
 money -

And so I will wait your  
 early reply from you -

In the matter of the claim of  
Nettie Florence Swadley et al  
for participation in fund appropriated  
by Congress June 30, 1906, for Eastern  
and Emigrant Cherokee Indians and their  
decendants.

On this 11th day of Aug A. D. 1906, personally appeared  
before me, Orville E. Gorman, a Notary Public in and for said County,  
duly authorized to administer oaths, James Harralson, aged 80 years,  
a resident of Webb City, Jasper County, Missouri, well known to be re-  
putable and entitled to credit, who being by me duly sworn on his oath,  
declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time.  
He came from McMinn or Monroe County, Tennessee, and located and settled  
near what is now known as Brighton, Polk County, Missouri, on or about  
the year of 1836 or 1837. He came to said Polk County two or three  
years before his death. The said Alexander Brown, when I first knew  
him, lived in Tennessee. I have heard that he came to Tennessee from  
Georgia. He lived about a mile from where my father lived in Tennessee.  
I knew said Alexander Brown from the time I was old enough to remember  
any one until his death. He visited my father and my father visited him  
quite often. His family and my father's family visited back and forth  
quite often. His children and my father's children played together  
often and the two families were intimately acquainted with each other.  
I have a very clear and distinct recollection of hearing the said Alex-  
ander Brown say that he was registered or that his name was on the roll  
of Cherokee Indians prior to his leaving Tennessee, and I have heard  
him tell this both before he left Tennessee and after he came to Missouri.  
I came to Missouri soon after Alexander Brown left Tennessee, and I saw  
him and was intimately acquainted with him both in Missouri and in Tenn-  
essee. The said Alexander Brown was a tall broad shouldered man, rather  
slim, high cheek bones, dark complexion with black hair and eyes. He  
said his children were generally known and recognized and reputed to be  
part Cherokee Indian. They had the appearance of being part Indian.  
I have heard Alexander Brown and also his children say that he was a  
half blood Cherokee Indian and they always claimed to be of Cherokee  
blood.

Said Alexander Brown's remains were buried at the Brock  
Grave Yard near Brighton in Polk County, Missouri. It was the general  
talk among the children and neighbors of said Alexander Brown that he was  
a half blood Cherokee Indian and that his name was on the roll of Cherokee  
Indians. I recollect that he was called by the Indian nick name of  
"Swanee." When he left Tennessee and came West he was accompanied by a  
number of families.

Said Alexander Brown was the father of the following named  
children: Thomas Brown, Isom Brown, John Brown, Zach. Brown, Sarah  
(Brown) Hamblen, who was also called "Sally", Dicie (Brown) Fender,  
Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and  
Violet (Brown) Ruth. Said Dicie (Brown) Fender was the mother of Michael A Fender  
who resides near Brighton Polk County Missouri and who is the father of Nettie Florence  
Fender who married Thomas S Swadley and whose age is about 45 years and who resides  
near said Brighton Polk County Missouri. I personally knew above named parties and am not

In the matter of the claim of Nettie Florence Swadley et al for participation in fund appropriated by Congress June 30, 1906, to Eastern and Migrant Cherokee Indians and their descendants.

On this 9th day of Aug, A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Russell Stokes, aged 70 years, a resident of Springfield, Greene County, Missouri, whose post office address is 1213 Taylor Street in Springfield, Greene County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn declared in relation to the aforesaid case as follows:

I was well acquainted with Alexander Brown during his life time, from and after the time he came to Polk County, Missouri, which was about the year of 1835 or 1836, until his death, which occurred about the year of 1837 or 1838. Said Alexander Brown located and settled near what is now known as Brighton, Polk County, Missouri, and lived there continuously from the time he came to Missouri until his death. His remains were buried near Brighton, Missouri, at what is now known as the Brock Grave Yard. During the time above mentioned, the said Alexander Brown and I lived in the same settlement as neighbors. We saw each other and were together quite often. We fished together and had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian--my recollection is that he said he was a half blood Cherokee Indian and that he came to Missouri from Tennessee. He was recognized and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian rights, and that his name was on the roll of Cherokee Indians. The said Alexander Brown has always claimed to be a half blood Indian, and all his children claimed to be part Indian and were recognized and reputed to be such by all who knew them.

Alexander Brown, aforesaid, was a very tall broad shouldered man, rather slim with dark hair and eyes and of dark complexion.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown had the following named children: Sally (Brown) Hamblen, Sicle (Brown) Fender, Isaac Brown, Violet (Brown) Ruth, John Brown, Elizabeth (Brown) Ruth, Thomas Brown, Susan (Brown) Proctor, Zach. I was well acquainted with Alexander Brown in his life time.  
He was my grandfather. He came from McMinn County, Tennessee, where

at my father's house a number of times. His family and my father's  
family were intimately acquainted and when he left Tennessee and came  
to Missouri, there were about six families came together including  
my father's family and Alexander Brown's family. Said families were  
all related to each other. He left Tennessee in the fall of 1835,  
came to a place in Illinois fifteen or eighteen miles west of St.  
Louis and stopped there over the winter, and in the spring came on to  
what is now known as Brighton, Polk County, Missouri, arriving there  
May 10, 1836. I was with them during the whole journey to Missouri  
from Tennessee. I have often heard my mother, who is a daughter of  
said Alexander Brown, and my Uncle and Aunts say that said Alexander  
Brown was a half blood Cherokee Indian. Also I have heard them say  
many times that said Alexander Brown was enrolled as a Cherokee Indian  
on the Roll of 1835. He was a tall man, dark complexion with black  
hair and eyes. He has always been talked about and known as a half  
blood Cherokee. He died in 1872. I was at his funeral--the first  
person I ever saw buried. He was buried at Brock Grave Yard, near  
Brighton, Polk County, Missouri.

Said Alexander Brown had the following named children, viz:

Madam:-

Replying to your letter of recent date, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

P. O. No. 3.

Texas

No. 3602.

Waldo Hugh Harper, being first duly sworn and examined, deposes and says:

My name is Waldo Hugh Harper; I claim my Indian blood through my father: I make no claim of Indian blood through my mother: my father was born in Lawrence Co., Mo.: my father was born about 1843: my father claimed his Indian blood through his mother, whose maiden name was Jane Fisher: I think my grandmother was born near Booneville, Mo. 1823: my great grandmother came with her father when she was seven years old from Florida to Booneville, Mo.: in 1835 my grandmother was living near Booneville, Mo.: neither I nor any of the ancestors through whom I claim were ever enrolled and never received any money or land: my own grandmother was an eighth Cherokee: my grandmother or my father never lived with the Indians as a member of the tribe: it is generally known in the community in which I live that I am part Cherokee Indian.

Mary J. Willison, --being duly sworn, deposes  
and says:

My name is Mary J. Willison. My age is 56 years. I live in Indian Territory. I was born and raised here. I callim Cherokee Indian blood. I was enrolled by the Dawes Commission, Cherokee Roll No. 26170. My sister was also enrolled by the Dawes Commission but I do not know her number. I got the bread and strip money. I claim through both parents. My mother was Nancy Drew. She is dead; died 30 years ago. She was in the Territory at the time of her death. She was born and raised in the Territory. My mother had a sister Mary Drew; she was Mary Holt when she died. My mother was Nancy Mackey after marriage. She had a brother but I never knew him. There was also Amanda Coody, after marriage. My mother got her blood from both parents. Her half-brothers and sisters were John, Emma and Kate. My mother was 35 or 40 at the time of her death. She was enrolled in 1851. My mother's brothers and sisters always lived in the ~~Cherokee~~ Territory. My grandmother on my mother's side was Maria Fields. She lived in the Cherokee nation. She was enrolled in 1851. She was Maria Drew then. When she died she was Maria ~~Downing~~, as she married twice. I think she was enrolled in 1835. John Drew was the name of my grandfather. He had a brother William and a brother Dick, and his sisters I think were Katie, and I cannot be sure of their names. My father was Wm. Thompson Mackey. He was enrolled in 1851. He got the bread ~~and strip~~ money. He did not get the strip money as it was paid out after his death. He got his blood from his mother. My grandmother was Sallie Thompson. He had a brother James Mackey; Nancy Vann when she died. I think they drew Old Settler money at Fort Gibson. We were under the impression that they were Old Settlers until Emmett Starr came here, and we thought our father's ~~was~~ people were Old Settlers, but he advised us that our father was an Emigrant Cherokee. He said he had the original Rolls and recorded our names. I married a Creek and Cherokee. I got my allotment in the Cherokee nation. I don't know the time when my father's people came from the Eastern States. I have been told since I made my application that he came out with the Eastern Cherokees. Mrs. Nash, a relative of ours at Fort Gibson, and she said that my father came to this country with the Emigrant Cherokees, but the most of the family are old settlers. My father must have been 50 at his death, and has been dead about 29 years. My father was called Will Chu-las-ke. His brother was Jim Chu-las-ke.

#### REMARKS.

(Under this head the applicant may give any additional information that he believes will assist in proving his claims.)

My mother Catharine Childers, and came to Ind. Ter. along with her mother about 1836 or 1837; and she with all her children were recognized as Eastern Emigrant Cherokees all the while; mother 1/4 Cherokee.

Mother's mother, Nancy Vann, had several daughters that married white men, and the "Ross political party" disputed the right of the said white men to vote; and it is believed that that party prevented mother and her living children in 1851 from drawing the Eastern Emigrant Payment of 1851, altho' justly entitled to it; mother with her children left I.T. in time of Civil War & were re-admitted in 1886. Mr. D.W. Lipe of judges re-admitting us, at Claremore, I.T. can inform about matter;

NOTE.—Answers should be brief but explicit; the words "Yes," "No," "Unknown," etc., may be used in cases where applicable. Read the questions carefully.

and applicant believes that he ought yet to get the old payment of 1851, and his share of his mother's old payment, which it appears was not paid to her or her children, besides the payments now to be made.

I solemnly swear that the foregoing statements made by me are true to the best of my knowledge and belief.

Dear Sir:-

I am enclosing you application of Lemuel Parris, which  
is being filed for him to secure his share in the Eastern Emi-  
grant funds.

Yours very truly,

JTE/JC.

A handwritten signature in cursive script, reading "John T. Ezzard". The signature is written in dark ink and is positioned below the typed name "Yours very truly,".

Lemuel Paris being first duly sworn, deposes and says:

That I am 60 years of age. I have lived in this District ever since 1876. I was born in Illinois District. I was enrolled by the Dawes Commission, No. 13395. I think I was living in the Creek Nation, in 1851. My father ran a blacksmith shop in the Creek Nation. He stayed there only one or two years and then came back to the Cherokee Nation. My parents got no benefits while in the Creek Nation. My father was there working for the government. The government hired shops at that time. It might have been that just at the time of the enrollment in 1851, I was living in the Creek Nation. I have a ~~mother~~ brother named John who was born in 1851 in the Creek Nation. He has been dead about thirty years. I had a half brother on my father's side by the name of Henry Paris. He was five years older than I. He was born in Illinois District. Henry was living with us at the time we were in the Creek Nation. However, I am not positive of this as he had some aunts living where we moved from, and sometimes he would go over there and stay with them. Cornelius Paris was the name of my father. He was a white man. My mother's name was Catherine Childress and I got my Indian blood from her. She went by the name of Cathrine Paris in 1851. She had only one brother and his name was Levi. My grandfather Childress was a white man. My mother got her Indian blood from her mother, Nancy Childress nee Vann. My grandmother had a brother Isaac or Ike Vann. He lived in Saline District. My grandmother had a sister named Catherine, I think, and she married a Creek and lived in the Creek Nation. My great grandmother came from the East and was drowned on the way. The government sent them by boat. This was in 1832 or 1833. They were on the roll of 1832 in Tennessee. Don't remember her name, but my great grandfather's name was John Vann. He came along with them in 1832 from Tenn. I am perfectly sure about this 1832 or 1833 roll and that my great grandparents were on that roll. My grandmother came in 1837 with the Emigrants because she was married then and had a family. She was enrolled in 1835. My mother came at that time. She was married then. Lemuel Childress was my grandfather. He was enrolled on the 1835 roll. My mother's first husband was a Childress and she bore that name at the time of coming out here. She was a Childress and married a Childress. Martha and Elizabeth Childress are my half-sisters, having the same mother. Martha married William Hall. Probably Martha's father was named Flemuel. Think he was a white man and believe he was enrolled in 1835. Martha Hall was Martha Childress in 1851. John Vann, my great grandfather was born in B. Tenn. I am sure that my people were not Old Settlers. Wm. F. Paris is the son of Martha Hall, and Martha Hall was the wife of Henry Paris before her marriage to Hall. Probably John Vann died before I was born. My people and David Vann who lived in Saline District, claimed to be related but I do not know the connection.

App. No. 3639

D. W. Lipe being first duly sworn in behalf of Lemuel Paris,  
deposes and says:

I was one of the judges on the citizenship question in 1886 and 1887 and this Lemuel Paris' case came up before our court. He was considered a doubtful citizen. His case was decided by our court that he was a Cherokee citizen. B. W. Alberty was one witness, Joel H. Bryan and Joseph Martin were two others. John L. McCoy was against applicant. I suppose it was on account of some political trouble that these people were not enrolled in 1851. I know that Lemuel Paris has Indian blood but I can't say whether or not he is an Eastern Cherokee. As far as I know the testimony which Mr. Paris gave is correct.

James D. Griffin,

Fawn,

Oklahoma.

Sir:

Replying to your letter of October 28, 1909, you are advised that it is impossible for me at this time to say when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on and the roll finally approved by the Court no money can be paid.

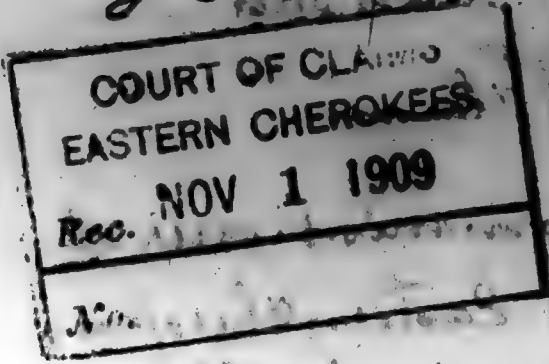

Very respectfully,

Special Commissioner.
